BACHELOR OF ARTS (B.A.)

The Intercultural Studies major promotes the ideals of the liberal arts tradition and global citizenship through cultural appreciation, critical thinking skills, ethical leadership and creative problem-solving. Students are provided with the flexibility to decide on one of three concentrations: **1) CRITICAL STUDIES OF ENGLISH,**

2) ETHICS, PHILOSOPHY AND ECONOMICS, AND 3)

FOREIGN LANGUAGE AND CULTURE.

CSEL - CRITICAL STUDIES OF ENGLISH:

An examination of the history and circumstances of the spread of English around the world as well as the current cultural impact it is having. The focus is both on spoken and written language as well as on the historical, cultural, social and literary influences of the English language.

CAREER OPPORTUNITIES

- Journalism/Writing/Editing
- Arts and Media
- Diplomacy
- Business
- International Relations

**A UNIVERSAL
COMMUNICATOR!**

EPE - ETHICS, PHILOSOPHY AND ECONOMICS:

A strong interdisciplinary approach that focuses on the intersection between ethics, philosophy and economics, analyzing concepts such as values, virtues and economic action. Students will examine how technological developments and different cultures influence and challenge each other. The teaching methods are designed to produce future global leaders and thinkers.

CAREER OPPORTUNITIES

- Economics and International Business
- Law/Judicial
- Journalism/Diplomacy/NGOs
- Academic Discipline (Professor, Lecturer)
- Risk and data analysis

**AN INDEPENDENT
THINKER!**

FLC - FOREIGN LANGUAGE AND CULTURE:

Starting at absolute beginners level and building up language skills as well as developing cultural awareness and understanding, this concentration emphasizes the differences and similarities between cultures, histories and languages that are needed and used to communicate with one another in a global community.

CAREER OPPORTUNITIES

- Travel Industry
- Public Relations/Human Resources
- Journalism/Writing/Editing/ Teaching
- Professional Interpretation/Translation (UN, Legal, Business)
