

Tuition Payment Process

1. When the student has completed course registration, the system will display a confirm Tuition & Fees and generate invoice button. Student must click to "Confirm Tuition & Fees and generate invoice"

The screenshot displays a web interface for course registration. At the top, a blue banner contains the text "Confirm Tuition & Fees and generate invoice." with a "Click here" link. Below this, a message states "Your registration can now be completed." and provides instructions. The main area shows a class schedule for "2014 - 2014, Trimester 2" with columns for days of the week and time slots. A table below lists registered classes with details such as course ID, lecturer, and exam times. At the bottom, there is a "Communication with advisor" section with a message input field.
