

MUIC CONNECT

Establishment of the MUIC Online Community of Learning and Sharing project to be an open-source of online learning called "MUIC Connect." It is a course open to students, students, and the general public. Study at leisure in line with the strategic plan of the Mahidol University International College to be the center of "Lifelong learning" The courses are closed for free registration. The objective is to develop self-learning courses. Producing videos that are interesting, engaging, and creative following the objectives and to be a channel to build a network between target students who are going to study in higher education.

Opening up the world of online learning "MUIC CONNECT" which is an open learning resource and a center of learning throughout life.
