# PREPARATION CENTER FOR LANGUAGES AND MATHEMATICS

THE PATHWAY TO MUIC AND SUCCESS

## OVERVIEW:

PC is a pathway to MUIC for students who need to improve their English or math skills and join the university community.

EP

(English Program plus math) develops students' English skills to prepare them for university-level studies. (Apply via the PC Direct Track or the MUIC Entrance Examination)

MP

(Mathematical Foundations Program) focuses on the math skills needed for MUIC and beyond. (Apply via the MUIC Entrance Examination only)

## AREAS OF STUDY AND MINORS:

- English skills: academic vocabulary, academic essay writing, academic reading, listening to lectures, discussing significant issues
- Digital skills: internet searches, applications, multimedia presentations, software
- 21<sup>st</sup> Century skills: collaborative projects, critical thinking, relationship building
- Mathematics: basic mathematical concepts, algebra, pre-calculus

## BENEFITS FOR PC STUDENTS:

- Conditional acceptance to MUIC (no more exams)
- Members of the MUIC and Mahidol University communities
- Opportunities to meet people and make friends
- Preparation for success at MUIC
