

CALL FOR APPLICATION

MUIC OUTBOUND EXCHANGE OPPORTUNITY

TO APPLY FOR SEED

Deadline: DECEMBER 2019

The Canada-ASEAN Scholarships and Educational Exchanges for Development (SEED) program provides students, from member states of the Association of Southeast Asian Nations (ASEAN), with short-term exchange opportunities for study or research in Canadian post-secondary institutions at the college, undergraduate and graduate levels.

Awards:

CAD 10,200 for college, undergraduate or graduate students (Master's and PhD) for a minimum of **four** months or one academic term of study or research;

CAD 15,900 for undergraduate and college students for a period of **eight** months or two academic terms of study or research.

Eligibility:

Candidates must be citizens of an ASEAN member state (Brunei Darussalam, Cambodia, Indonesia, Laos (Lao People's Democratic Republic (Lao PDR)), Malaysia, Myanmar, The Philippines, Singapore, Thailand, or Vietnam).

Who can apply:

- Have completed at least three trimesters of study at MUIC
- Be at least 18 years of age
- Achieve a minimum cumulative GPA of 2.85 at the time of application (students who have a cumulative GPA of at least 2.70 will be considered on a case-by-case basis)
- Provide a TOEFL IBT score of at least 69 or Academic IELTS Overall score of at least 6.0
- Participate in the Buddy Program with the Student Exchange Office for at least 1 trimester or participate in Special Projects with Project Development Unit for at least 14 days
- Apply to be an exchange student at MUIC's partner university in Canada.

How to apply:

Candidates must submit a Student Exchange Application form along with a letter of intent that explains how their studies/research in Canada will enable them to apply their learning to address the 2030 Agenda for Sustainable Development in their future career to help combat poverty and narrow the development gap in the ASEAN region.

Important about the letter of intent

This will be the critical document in evaluating the applications. Make sure there is a direct link between the candidate's academic program and how it will contribute towards all **Sustainable Development Goals** (SDGs), including **Goal 5** (Achieve gender equality and empower all women and girls) through, for example, women's studies, political science, anthropology, and economics; and **Goal 13** (Take urgent action to combat climate change and its impacts) through, for example, environmental sciences/policy examining climate change mitigation and adaptation, energy, peatlands and other land use effects and strategies, and forestry.
