THAILAND SUMMER PROGRAM 2026

About MUIC

Mahidol University International College was founded in 1986, being the first public international college in Thailand. We offer an outstanding international education in which English is the official language of instruction, allowing Thai and foreign nationals to easily interact and communicate with each other.

Mahidol University International College inspires innovation, fosters human potential, and creates new knowledge through the integration of arts and sciences in an international environment, ultimately resulting in education research and services that answer the needs of society and benefit mankind.
